

# Paper Plate Easter Bunny Ears

## You will need:

- Paper plate
- Scissors
- Pencil
- Felt tip pens

1) First, position your paper plate the correct way up.

2) Then, on the centre panel of the paper plate, draw two bunny ears. Make sure the base of the ears is quite thick to provide strength for your standing ears.

3) Then, complete the rest of the cut out. If you are making an Easter hat for a smaller child, choose the innermost circle.

4) Cut this shape from the centre of the paper plate.

5) Now, turn the paper plate over.

6) Add extra decorations to the ears and the strip of the quick Easter hat.

7) Once finished, bend the ears forwards so they stand up. You have created a cute, cheap Easter hat perfect for a party or costume!
