1.	CONTEXT
1	Hinckley House School is an independent special school and part of the Witherslack Group. Our pupils are aged 5 to 11, with many strengths and interests, along with complex educational needs, such as social communication difficulties, trauma and behaviours which challenge. Pupils who attend Hinckley House School have invariably experienced disrupted education placements with some pupils also in the care of their local authorities. Pupils have often had limited positive experiences of education and may be working below age-related expectations when they join us. All pupils have an Education, Health and Care Plan.
1.	Hinckley House School benefits from fantastic grounds within a stunning rural location. This contributes to making our school a positive and happy place in which to learn, work and live and we make full use of the environment. Hinckley House School is well-resourced and has a comprehensive range of facilities. Class sizes are deliberately small in order to ensure pupils feel well supported by our highly-skilled staff team of education, pastoral, care and therapy staff.
2.	VISION, AIMS AND INTENT
2.	Vision, Aims and Intent
1	<p>2.1 We are committed to helping our pupils to flourish and achieve their aspirations through our approach to education and care. Hinckley House School provides a curriculum which is pupil-centred, ambitious, engaging, and relevant. We have high expectations of all pupils, with the aim that they leave us with qualifications, accreditation and experiences which will prepare them for the next chapter of their lives. We aim to do this by:</p> <ul style="list-style-type: none"> • Inspiring our pupils to develop a love of learning, experience success and achieve positive outcomes • Helping our pupils to remember what they learn and make progress in all subject areas • Supporting our pupils to be ready for the next stage of learning • Ensuring every pupil leaves a reader • Enabling pupils to achieve qualifications and accreditation reflective of their strengths, needs and interests • Encouraging our pupils to raise their career aspirations • Providing our pupils with knowledge and experience of the workplace

	<ul style="list-style-type: none"> Subject leads provide support and advice for colleagues, and monitor progress in their subject area
3.	Clinical staff ensure that...
3	<ul style="list-style-type: none"> Appropriate clinical support is provided to assess and meet the social, emotional and mental health needs of pupils Suggestions, strategies and bespoke interventions are provided to support pupils' learning, competencies, development and preparation for adulthood
3.	All staff ensure that:
4	<ul style="list-style-type: none"> High expectations are maintained for our pupils and themselves at all times Reading, learning and high aspirations are role-modelled by all members of the school community Positive contributions are made to the whole-school Internal Team Around the Child (ITAC) approach Pupils are supported to express themselves appropriately socially and emotionally Pupils are helped to develop their literacy and numeracy skills and achieve their next steps with increasing independence
4. IMPLEMENTATION	
4.	Curriculum Delivery
1	<p>Our school timetable comprises of thirty teaching periods per week for each year group with an additional two reading slots of 20 minutes every day, one of which is a phonics or independent reading lesson and one involves the children being read to. Small class sizes with a high staff to pupil ratio supports effective implementation of the curriculum, along with clinical support from the Speech and Language Therapist, Mental Health Practitioners, Occupational Therapist, Assistant Educational Psychologist and Clinical Psychologist.</p> <p>Some pupils may have bespoke timetables that take account of particular strengths and areas of need. Individual interventions are planned as required in order to close gaps in knowledge and skills, supporting pupils to make progress.</p> <p>Our timetable has been carefully designed to meet the individual needs of our existing cohort. This includes careful planning in order to reduce transitions and plentiful opportunities to support sensory, social communication and mental health needs. As such, Emotional Check In and Clinical Interventions (delivered as part of our PSHE programme) have all been included in our curriculum.</p> <p>Our curriculum consists of individual subjects taught explicitly. However, clear links between subjects are identified and connections made. Subjects have long term plans which are supported by the use of progression maps to ensure learning is pitched at the right level for each individual learner.</p> <p>Through high quality teaching of knowledge, skills and vocabulary across core, foundation subjects and the extended curriculum, all pupils are challenged to achieve the best possible outcomes and make progress across all Key Stages. Detailed schemes of work are used to ensure pupils cover the content for their key stage and close any gaps in knowledge, so they are prepared for the following key stage and transition. The delivery of our key focus areas related to learning, work and life are reflective of age, stage, and carefully</p>

	<p>selected learning experiences based on individual pupil needs. A range of specific approaches are used to implement and deliver the curriculum, such as:</p> <ul style="list-style-type: none"> - Learning outside of the classroom and personal development activities - Interdisciplinary approaches, using strategies from education, care and therapy - Real-world and functional activities - Interactive activities and games - Exploration of new vocabulary and ambiguous language - Recall tasks - Worksheets/extended writing opportunities - Role-play and discussion - Practical activities - Modelling, questioning and scaffolding - Inquiry and project-based tasks - Collaborative and independent learning - Cross-curricular learning
4. Key Stage 1 and 2	
2	<p>All pupils are taught most of their lessons by their class teachers. Pupils access the National Curriculum, with additional interventions offered as required. There is a focus on reading, including the teaching of phonics to early readers using the Little Wandle programme.</p> <p>Pupils access: English, Maths, Science, Computing, PE, PSHE, (including Relationships and Health Education), Humanities (Geography, RE and History), Art & Design, Music, Design Technology, Personal Development and MFL. Individual pupils access clinical/therapeutic input as appropriate to their needs</p>

4. Homework	
7	<p>At Hinckley House School, teachers provide opportunities for extended learning, when it is appropriate and pertinent to a pupil's needs. All pupils are encouraged to read regularly at home.</p>
4. Reading	
8	<p>At Hinckley House School, reading is integral to our curriculum. We are committed to ensuring that all pupils leave us as 'a reader' and we have a robust reading strategy in place to achieve this. For pupils with early reading skills, explicit teaching of phonics is provided. Reading interventions are provided when necessary, in line with a pupil's individual needs. Reading skills are taught explicitly in English lessons, as well as other areas of the curriculum where appropriate. Reading for pleasure is actively promoted through staff and pupil role-models, our on-site library, classroom reading areas, class texts and story-time and regular pupil reading challenges.</p>

<p>4. Oracy</p> <p>9</p>	<p>Oracy is a fundamental component of our curriculum, integral to students’ cognitive, social, physical and emotional development. It encompasses the ability to communicate effectively using spoken language, engage in dialogue, and listen actively. We recognise oracy as a vital skill that underpins not only academic achievement but also students’ ability to participate fully in a democratic society, both within and beyond Hinckley House.</p> <p>We believe that Oracy skills are essential for students to articulate their ideas, feelings and needs, collaborate with others, and engage critically with diverse viewpoints. Developing these skills prepares students for future personal and professional success, enhances their capacity to learn across the curriculum, and promotes well-being by fostering confidence and self-expression.</p> <ul style="list-style-type: none"> • Develop students’ ability to [express themselves], speak fluently, coherently, and confidently in a range of formal and informal contexts. <ul style="list-style-type: none"> • Equip students with the skills to use their voice to express ideas and feelings whilst considering the perspectives of others. • Teach students to listen actively and respond appropriately to the contributions of others. • Encourage students to use spoken language [choice boards/word mats] to reason, question, and challenge assumptions and opinions. • Provide opportunities for students to present information and ideas clearly, using appropriate language [word choices] and tone for different audiences and purposes. <ul style="list-style-type: none"> • Work closely with Speech and Language therapists to consider the best approaches for developing confident speakers. • Plan opportunities for integrated structured talk activities, such as discussions, debates, presentations, and role-plays, into lessons and throughout the school day. • Ensure that classroom environments are conducive to effective communication, encouraging respectful dialogue and valuing every voice.
<p>4. Therapeutic Provision</p> <p>10</p>	<p>Our on-site clinical team work with teachers and support staff to provide a ‘Zones of Regulation’ curriculum, which is delivered by classroom staff throughout the school day. This helps pupils to understand and regulate their own emotions, develop appropriate coping strategies and achieve personal targets as set out in pupil EHCPs, PEPs and Boxall profiles. Pupils have access to on-site sensory areas and safe spaces throughout the school day in order to support their self-regulation of emotions and behaviour. Pupils are offered group or individual therapeutic sessions, as appropriate to their needs</p>
<p>4. Physical Education</p> <p>11</p>	<p>All pupils access PE lessons at Hinckley House School with physical well-being being seen as a priority. Lessons mostly take place on the Multi-Use Games Area but some may also take place off-site e.g. swimming.</p>
<p>4. PSHE, Citizenship and Careers Education</p> <p>12</p>	<p>All pupils access PSHE at Hinckley House School and this aims to be dynamic to address any arising issues, whilst gaining coverage across three core themes:</p> <ol style="list-style-type: none"> 1. Health and wellbeing (including statutory Health Education) 2. Relationships (including statutory Relationships and Sex Education) 3. Living in the wider world (including Social, Moral, Spiritual, Cultural Education, Economic wellbeing, Careers Education and Citizenship).

	<p>Parents have the right to withdraw their child from Sex Education delivered as part of PSHE (please refer to the school's RSE Policy). RSE lessons are carefully planned and taught in a sensitive and age-appropriate way using a variety of resources.</p> <p>There is a focus at all Key Stages on the development of skills and attributes such as resilience, self-esteem, risk-management, team-working and critical thinking. Pupils are prepared for life, learning how to become responsible citizens, how to manage their money well and make sound financial decisions. They learn how to keep themselves safe and well.</p>
4.13	<p><i>Social, Moral, Spiritual, Cultural (SMSC) Education, British Values and Protected Characteristics</i></p> <p>At Hinckley House School, SMSC and British Values are promoted in so much of what we do, not least during our school assemblies and in PSHE.</p> <p>We encourage pupils to respect the fundamental British Values of democracy, the rule of the law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. As well as actively promoting British Values in school, the opposite also applies: we would actively challenge pupils, staff or professionals expressing opinions contrary to fundamental British Values, including 'extremist' views.</p> <p>As part of the wider SMSC curriculum, pupils are encouraged to experience awe and wonder, act responsibly and support their community. In addition, we help our pupils to learn about the protected characteristics as defined in The Equality Act 2010: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.</p>
4.14	<p><i>COVID-19 Recovery Curriculum</i></p> <p>At Hinckley House School, we recognise that pupil well-being is at the forefront of our recovery from the Covid19 crisis. Specific support from education, pastoral, care and clinical staff is offered to pupils where required. We continue to overcome the impact of any lost learning time and isolation periods by re-visiting key concepts, knowledge and skills in each subject area, provide high-quality learning strategies and personalised support as required.</p>
5. IMPACT, ASSESSMENT AND MONITORING	
5.1	<p><i>Impact</i></p> <p>The impact of the curriculum at Hinckley House School is evidenced by the work that the pupils produce, their progression over time and how well prepared our pupils are for further learning, work and life. We recognise that we may never see the long-term impact of our curriculum but we make every attempt to find out the wider impact using key indicators (outlined below) which relate directly to our curriculum intent:</p> <ul style="list-style-type: none"> • Pupils will be enthused by learning and achieve positive outcomes • Pupils will remember what they learn and make progress in all subject areas • Pupils will leave us with a reading age beyond a functional level and they will be well-prepared for the next stage of learning • Pupils will achieve the outcomes and targets outlined on their EHCPs and PEPs • Pupils will have identified possible career pathways in line with their strengths and interests

Document Number: HHS-V03-0325	Issue Date:	July 2024	Version Number: 02
Status: FINAL	Next Review Date:	July 2025	Page 7
Linked to Policy Number:	OPSP11		

	<ul style="list-style-type: none"> • Pupils will have an understanding of different workplaces • Pupils will be far less reliant on adult support and will be working towards independence in many ways • Pupils will be socially and emotionally prepared for transition to secondary education • Pupils will feel accepted and valued and will demonstrate improved self-esteem and confidence • Pupils will know how to keep themselves safe and healthy and they will have developed a range of positive coping strategies • Pupils will have an awareness of their rights and responsibilities and they will be able to express their own views effectively • Pupils will demonstrate respect, kindness and pride, an ability to form positive relationships with others and they will be well-prepared to contribute positively to their communities
5.	Assessment
2	<p>We use assessment as a key part of our approach to inform the next steps for pupils and to monitor the wider impact of our curriculum. Achievement of key concepts and skills are tracked three times a year using our assessment system, known as Solar.</p> <p>Wherever possible, we enter our Key Stage 2 pupils to sit external tests (KS2 SATs). However, due to the gaps in learning that some of our pupils have previously experienced, some pupils may not be yet able to achieve the national expected standard in their tests. If it is felt not to be appropriate for a pupil to participate in the SATs, parents/carers will be notified in writing.</p> <p>Softer skills are tracked using the Boxall Profile. Experiences related to the teaching of protected characteristics, British Values and SMSC activities are all tracked using SMSC Gridmaker.</p>
5.	Monitoring
3	<p>The school's usual monitoring activities ensure that the curriculum offered is progressive and appropriate, enabling all pupils to achieve positive outcomes. Such monitoring activities include planning and work scrutiny, lesson observations and learning walks, which are carried out by leaders.</p> <p>Hinckley School will review this local protocol annually to ensure it continues to reflect its best practice and that it meets the requirements of the Witherslack Group Curriculum Policy.</p>
6.	CURRICULUM MODEL
